

DORIAN (HELLAS) S.A. IS LOOKING FOR A:

1. Crew Manager

Dorian (Hellas) S.A., operating a fleet of modern LPG and Oil Tankers, requires a Deputy Crew Manager. The ideal candidate will have completed studies in Human Resources Management or Maritime Studies coupled with a minimum of one (1) year working experience in a Crew Department, preferably of a Tanker company, or will have experience as a seagoing Tanker Officer with minimum of two (2) years in Rank Sea Service on Oil Tankers and/or LPG ships. Excellent command of the English language, both written and spoken, computer literacy, and the ability and interest to monitor both industry and regulatory developments in the manning and training areas are necessary in order to ensure that at all times Dorian vessels are manned by seafarers of the highest caliber. Good interpersonal skills are also required for this position that requires building close relationships with the seagoing workforce of the company.

2. Assistant Technical Superintendent

Dorian (Hellas) S.A., operating a fleet of modern LPG and Oil Tankers, requires an Assistant Technical Superintendent. The ideal candidate will have sailed as Junior Engineer Officer onboard LPG Vessels or Oil Tankers, or will have completed studies in Naval Architecture and (or) Marine Engineering, as a minimum, or will have served in a similar capacity ashore for a minimum of one (1) year. Awareness of regulatory, vetting and LPG related issues and operations are desirable but not a prerequisite. Excellent English and computer literacy as well as a willingness to learn and develop are strictly required as is a willingness to travel at short notice.
